TechForFaith

TECHNOLOGY IN THE SERVICE OF FAITH

Tools to help you protect and nourish your relationship with Jesus

Simple Christian browser extensions: 100% free, no ads, no trackers

"…do all to the glory of God." — 1 Corinthians 10:31

Scriptorium

The Bible in your browser, even without a connection: word search, interlinear reading, highlights, notes and comments on verses.

Easy Worship

Customises lyrics and chords on Christian song sites: colours, chord diagrams, A4 export. Helpful from beginners to seasoned worship teams.

Gaze Keeper

Automatically blocks and neutralises sexual sites, images and videos, with 100% private analysis. A reliable help for parents, educators and communities protecting children.

The extensions work with a wide range of browsers and devices:

Firefox (Windows, Linux, Android, macOS)

Chrome - Brave - Edge - Opera

More tools are on the way, for the glory of God! Scan the QR code to discover what's new:

TechForFaith

Install an extension in 3 steps

The same method works with Firefox, Chrome, Brave, Edge, Opera…

1

Find the extension

Go to techforfaith.com (or scan the QR code on the front) and click the extension you are interested in.

2

Add it to your browser

Click your browser’s button, then “Add” or “Install”. Free, no account, no ads.

3

Pin the icon, and you’re done

Click the puzzle icon in the toolbar, then the pin to pin the extension. It works right away, with no setup.
